

DreamVacationsAruba.com G4 Ranking Tournament

Huge Success

STA. CRUZ -- The Dreamvacationsaruba.com Beach Tennis Ranking Event took place on Saturday 27th and Sunday 28th of October 2012. The tournament was the last in a series of three, classified as an ITF G4 tournament. These three ITF G4 tournaments were meant to prepare the Aruban teams for the big International G1 Beach Tennis Event on Eagle Beach in just 2 weeks from now! (15 t/m 19 November 2012). Teams which participated in the ranking tournaments were also competing for ITF ranking points.

Open Men:

Bertrand Coulet and Cado de Lannoy 40 ranking points

Derrick Hernandez and Dennis Schoneveld 30

Jochem Ros and Jan Roodzant / Fabrizio Battaglia and Edward Wong 20

Bertrand Coulet and Cado de Lannoy won the final. It was clear the two good looking guys were in shape! Although they were sponsored by Salad Skate shop,

they took of their shirts and were playing with nothing left on their torsos. Not even 1 gram of fat! Derrick Hernandez and Dennis Schoneveld were confused by this and couldn't get their focus on the game on time.... As we are talking about focus, all the other teams are already focusing on the big International Event! We'll see how this will end up.

Open Ladies:

Daisy Faro and Betza Rasmijn 40

Karina Staring and Sherrel Werleman 30

Danielle van Staveren and Yvette Franssen / Virginia Melendez and Yami Romay 20

It was a surprise that Aruba's nr 1. ladies teams were kicked out of the tournament in the semi-finals ending up with just 20 ITF ranking points.

The final took place on court 3 because the Men's Final already started at the center court. The feeling must have been really good at court 3, because when the Men's final finished

the ladies didn't want to proceed their game on the center court. MC Stuwie respected the ladies and so they proceeded at court 3. Daisy Faro and Betza Rasmijn turned out to be the best and earned 40 ITF ranking points.

Other participants who were competing in the tournament on Sunday didn't earned points but nevertheless the tension was high.
